Bones in the Park, Dog Show Fun for Pets and Their Owners

Morgan Blaine and Honey were dressed to win.

By TERRY WOLF

It wasn't hidden Easter eggs that had canines scrambling all over Stubbs Park - it was dog treats and bones.

The annual Dog Show and "Bones in the Park", Saturday, April 4, drew several canines decked out in their Easter finest.

Some performed tricks for a panel of judges, others just looked adorable and searched for "hidden" dog biscuits.

At day's end, all the participants were awarded winner's certificates in various categories.

The event was sponsored by the Dublin-Laurens County Recreation Department with proceeds benefitting the Dublin-Laurens Humane Society.
